## Services

- › Check-In: We are available 24 hours a day and welcome you with a smile. Your stay here will be a treasured and everlasting memory of pleasure.

- Front Desk: People at the front desk can help and guide you properly for any activity you wish to join, on the island or at the hotel complex. They also take care of your correspondence and dozens of other needs, big or small.
- Concierge Guide: One of our people will be your guide to help you take a safe tour of the island. It is a person you can trust.
- Transfer: We will transfer you from ELIVI to and from the airport and the port, as well as throughout the hotel complex areas.
- 24-hour Room Service: An extensive menu with a selection of the bestseller dishes from the 3 hotel restaurants, offered with an exemplary 24-hour room service.
- Maid service: We take care of your room daily from 09:00 to 17:00. At your request, we can change the time for your convenience. Turn down service is from 19:00 to 21:00. Towels and sheets are changed daily. If you wish to contribute to the program for the reduction of energy consumption and water usage, you can ask us to change them every second day.
- Laundry - Dry cleaning: We undertake to clean and iron any of your outfits with an AAA+ energy consumption laundry system using eco-friendly detergents.
- Luggage storage room: There is a room dedicated for storing luggage at the reception area.
- Parking: Parking area with 80 spaces
- Wake-up call: Ask the front desk manager to assist you with programming the wake-up call function in the telephone device found in your room.
- Rentals: Car, limousine, boat, minivan. ELIVI will take care to deliver to you whatever you wish to rent, ensuring the best conditions and necessary security coverage.
- Medical services: If necessary, doctor and transfer services are at your disposal within a short period of time.
- Room key: A magnetic card that also functions as an energy switch. You can leave it at the reception desk for even greater energy savings.
- Rooms for people with disabilities: ELIVI offers accommodation to people with disabilities in specially designed rooms.
- Personal Trainer: A cooperating trainer will be by your side so that you can enjoy your workout program with personal guidance.
- Outdoor rejuvenation and wellness activities (hiking, gymnastics, yoga, pilates)
- Cycling: For cycling enthusiasts, there are bicycles available at the reception area.
- Possibility to organize one-day excursions (cruises) to nearby islands
- Event planning from the hotel's F&B, such as a candlelit dinner on the beach, sunset cocktails, beach parties, private events.
- Special theme nights planning with music and dance groups
- Water sports: In collaboration with a specialized center that has the expertise and adequately trained and qualified personnel and supplies the necessary equipment.
- 24-hour security and fire-protection service
